University

Support Syracuse University Without Changing Your Will

Syracuse University transforms countless lives through top-ranked academics and groundbreaking research. Help ensure future generations of students can achieve their goals and realize their dreams by making Syracuse University a beneficiary of your:

- ✓ Retirement plan assets
- ✓ Bank and brokerage accounts
- ✓ Paid up life insurance policy

Beneficiary designations let you specify the individuals and charities you want to support and the percentage of the assets you want each beneficiary to receive. It's as easy as filling out a form.

You can obtain a "change of beneficiary" form by contacting your retirement plan administrator. It takes minutes to complete, yet the impact of your gift will be lasting.

To start a conversation, please contact us at GiftPlan@syr.edu.

We're here to help.

Your legacy. Your timeline. Your terms. Visit us online at giftplanning.syr.edu.

Benefits include:

- ☐ **Flexible** - Assets remain in your control during your lifetime should you need them.
- ☐ **Easy to arrange** - This gift does not require a change to your will.
- ☐ **Revocable** - You can change your gift designation at any time.
- ☐ **Tax-wise** - Assets passing to Syracuse University are not subject to income or estate tax.
